### **Office Hours**

8:00 AM - 5:00 PM  
Monday through Friday

**Purpose:** The California Arts Council (CAC), a state agency, was established in January 1976 to encourage artistic awareness, participation, and expression; to help independent local groups develop their own arts programs; to promote employment of artists and those skilled in crafts in the public and private sector; and to enlist the aid of all state agencies in the task of ensuring the fullest expression of our artistic potential.

**The Council:** The appointed Council of the CAC consists of 11 members who serve staggered terms. The Governor appoints nine members, the assembly Speaker appoints one member, and the Senate President pro Tempore appoints one member. Council members serve without salary, elect their own officers, and meet throughout the state to encourage public attendance. This body sets policy and has final approval of CAC grants.

**Mission:** Advancing California through the arts and creativity.

**Vision:** The CAC envisions a California where the lives of all Californians are enriched by access to and participation in a diverse spectrum of arts and cultural experiences and the arts ecosystem reflects contributions from all of California's diverse populations.

**Funding:** The CAC is a state agency, funded from the state's annual budget process and proceeds from the California Arts License Plate and the Keep Arts in Schools tax return voluntary contribution fund, supplemented by funds from the National Endowment for the Arts. Its grants are usually matched by foundations, individuals, earned income, government agencies, or other organizations.

**Information Access:** Due to the Public Records and Open Meeting Acts, applications and their attachments are not confidential and may be requested by the media and/or public. Meeting dates and locations are posted at [www.arts.ca.gov](http://www.arts.ca.gov). Observers may attend but may not participate in, or in any way interfere with, Council meetings. Each meeting provides a designated time for public comment, although comments may be time-limited.

**Grant Process:** Applications are evaluated by panels of experts, recognized in their respective fields, who rank applications according to program criteria. The CAC staff provides information but not recommendations to the panel. The Council reviews panel recommendations before making final funding decisions. CAC staff is responsible for grant contract administration after Council approval. In dire or unexpected circumstances, CAC reserves the right to make exceptions to any policy or procedure on a case-by-case basis.

**Requirements:** The CAC is mandated both by federal and state regulations to fund only organizations that have proof of nonprofit status under sec. 501(c)(3) of the Internal Revenue Code (Fiscal Receivers are eligible in some programs), or under sec. 23701d of the California Revenue and Taxations Code, or entities that are a unit of government; and that comply with the Civil Rights Acts of 1964, as amended; sec. 504 of the Rehabilitation Act of 1973, as amended; the Age Discrimination Act of 1975; the Drug-Free Workplace Act of 1988; California Government Code secs. 11135-11139.5 (barring discrimination); the Fair Labor Standards Act, as defined by the Secretary of Labor in part 505 of title 29 of the Code of Federal Regulation; the Americans With Disabilities Act of 1990 ("ADA"); the Fair Employment and Housing Act; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

**Ownership, Copyrights, Royalties, Credit:** The CAC does not claim ownership, copyrights, royalties, or other claim to artwork produced as a result of a CAC grant. However, the CAC reserves the right to reproduce and use such material for official, noncommercial purpose, including but not limited to use on the CAC website, social media and print materials. In addition, the CAC requires documentation of grants activity, and appropriate credit for CAC partial support.

## ARTS INTEGRATION TRAINING

### 2019-2020 GRANT GUIDELINES

**DEADLINE:** January 9, 2019 11:59 PM

**Apply at** [calartscouncil.smartsimple.com](http://calartscouncil.smartsimple.com)

**Awards of \$2,500**

**Grant Activity Period:** 6/1/2019-5/31/2020

### **Background and Purpose**

The CAC's arts education grant programs are rooted in the agency's belief that robust, sequential, culturally responsive arts learning is an essential tool for healthy human development, and that it should be available to all. The overarching purpose of our arts education grant programs is to expand access to meaningful arts learning opportunities by supporting these activities in a diversity of settings and contexts for children from infancy through the completion of Grade 12.

Since 1976, the CAC has supported in-school and after-school school-site-based arts programs that engage local arts organizations, teaching artists, and school communities through arts education grant programs.

In recent years, the CAC expanded the arts education grant programs, including the Arts Education: Professional Development strand, which expands the impact of in-school residency programs by supporting the training of classroom teachers in arts integration strategies. This year, we have renamed the program **Arts Integration Training (AIT)** in order to emphasize the fundamental goals of the program and to differentiate the program from our general Professional Development grant opportunity.

Awards of \$2,500 will support nonprofit arts organizations and teaching artists to plan and deliver professional development in arts integration strategies to classroom teachers, as well as site, district, and county-level administrators. Arts Integration projects should be designed to pave a pathway for increased, equitable student learning in, through, and/or about the arts. This may be realized in a specific classroom, in all classrooms across a school site, or as a central strategy for a district- or county-wide arts plan. The Arts Integration Training project can stand alone or be executed in conjunction with an Artists in Schools project. The project must be planned and implemented in collaboration between a nonprofit arts organization, teaching artists, and the educational entity, with full commitment from all participants.

### **Eligibility**

- The applicant must be a California-based nonprofit arts organization or arts-based unit of government.
- The applicant organization must have total operating revenue of \$5,000 or more from the last completed fiscal year, as it appears in the DataArts Funder Report.
- All applicant organizations must be consistently engaged in arts programs and/or services for two years prior to the application deadline.

- All applicant organizations must have a principal place of business in California.
- The applicant must demonstrate proof of nonprofit status under section 501(c)(3) of the Internal Revenue Code, or section 23701d of the California Revenue and Taxation Code, or must be a unit of government, including California Native or Indigenous tribal governments.
  - **Fiscal Sponsors:** An applicant without nonprofit status may use a California-based Fiscal Sponsor with a federal 501(c)(3) designation to conduct work on a not-for-profit project. The Fiscal Sponsor will provide the fiscal and administrative services needed to complete the grant. **If a grant is awarded, the Fiscal Sponsor becomes the legal contractor.** The Fiscal Sponsor must also demonstrate consistent arts services or programming in California for a minimum of two years prior to the application deadline. See additional information on the use of [CAC Fiscal Sponsors](#).
  - Applicants using Fiscal Sponsors must submit all required materials for the Fiscal Sponsor at the time of application.
- All applicants must submit all required application materials and information at the time of submission. Incomplete applications are ineligible and will not be reviewed by the panel. Please see Application Instructions for all required materials and information.
  - For all programs that require a CAC DataArts Funder Report, two years of data must be included in DataArts profile and report.

### **Program Goals**

Projects should address the following Arts Integration Training program goals:

- Increase equity and access to quality, sequential, standards-based arts learning for all students in the community to be served.
- Develop the ability of educators and administrators to design and implement robust and relevant arts integration throughout the curriculum.
- Promote culturally and linguistically responsive learning through the arts, using cultural knowledge to support the cultural assets of the local community and students' positive self-identification and respect for diverse cultures.
- Develop long-term, mutually beneficial relationships between arts and educational organizations, teaching artists, and the youth and families in the communities they serve.

### **Project Requirements**

- The applicant must develop and complete a project addressing the program's purpose by May 31, 2020. All activities to be funded by the CAC must occur within the Grant Activity Period (see Timeline).
- Professional fees for artists must be included. Fees for individual artists and/or arts workers to be supported by this grant must be appropriate to experience and comparable to fees for other local skilled workers.
- The project must enable participants to understand the value of arts integration and provide practical tools for implementing arts integration across the curriculum.

The applicant should present well-developed project goals, learning objectives, activities, and project evaluation tools.

- Project activities should align with National Core Arts or California Visual and Performing Arts Standards, as well as Common Core Standards.
- **Accessibility:** The CAC is committed to making the arts accessible and inclusive for all Californians. All CAC-funded programs, services, information, and buildings and facilities where funded activities take place must be accessible. Please see Page 3: Requirements for more information.

### **Eligible Request Amounts**

- Awards in this grant program are for \$2,500.

### **Funding Restrictions**

- The total of all application requests in FY18-19 cannot exceed 50% of an organization's total operating revenue from the last completed fiscal year. If applying for one or more CAC grants in a grant cycle, the total amount requested cannot exceed 50% of what is reflected in the organization's Total Operating Revenue line in the DataArts Funder Report.
- Applicants to this program are not restricted from applying for and receiving additional CAC program grants as long as those funds are used for different projects and purposes. To meet this criterion, applicants must demonstrate that projects:
  - Serve primarily different groups of people
  - Take place in different spaces, times, and/or contexts
  - Achieve fundamentally distinct programmatic outcomes
- Neither the award nor the match may be used to supplant state-funded expenses.

### **Matching Funds**

All grant recipients must provide a dollar-for-dollar (1:1) match for the AI grant. A cash match may be from corporate or private contributions, local or federal government, or earned income. State funds cannot be used as a match. If applying for multiple CAC grants in a single fiscal year, distinct funds must be identified to meet the matching requirement for each grant application. The applicant must indicate whether matching funds are projected, pending or committed.

### **In-Kind Match:**

Use of in-kind contributions as a portion of the match is intended to support organizations that may not have the financial capability to provide a 1:1 cash match, but demonstrate the capacity to carry out the activities in the grant application with other sources of support. In-kind contributions are non-cash donations provided by **third parties** for which monetary value can be determined. In-kind contributions **may** be used for up to 50% of the required (1:1) match.

- In-kind contributions may be in the form of space; pro bono consultancy, training or services; supplies; and other expendable property that are given free of charge to the organizations.

- **In-kind contributions may only be provided by third parties.**
- In-kind contributions by state entities are ineligible.

In-kind contributions must be reflected as an expense in the grant application budget. Applicant organizations must accurately document and report in-kind contributions in their DataArts Funder Report. See additional information on [CAC In-kind Contributions](#).

If you have any questions about in-kind contribution documentation or eligibility, please contact the Arts Program Specialist. See staff assistance below.

Only applications submitted through the system by the deadline will be accepted. More information can be found on the [Application Resources page](#) of the CAC website.

### **Review Criteria**

The peer review panel will evaluate applications based on the following criteria:

- **Project Design and Implementation:** Project design indicates realistic timeline, appropriate budget, clear artistic and community-based objectives, and achievable goals. Design includes methods to evaluate and measure success,

collect and analyze data, and document activities. Design demonstrates depth of participant involvement and clear plans for community outreach and marketing.

- **Artistic Merit:** California artists are involved at every stage of the project design and execution and demonstrate skills, expertise, and experiences that are central to the goals of the project and program.
- **Community Impact:** Project demonstrates reach and/or depth of engagement in a defined community. Project is responsive to the community to be served. Project execution and evaluation involve significant community participation in accordance with the identified program goals and project requirements.
- **Management and Leadership:** Ability of applicant organization to implement proposed project is clearly demonstrated. Overall fiscal and managerial health of applicant and partnering organizations is evident.

### **Peer Panel Evaluation Process**

A peer review panel will assess all applications and will recommend grants for applicants that strongly meet the review criteria. The panel's review of applications and work samples is a multi-step process and involves assigning applications as "Fund" or "Not Fund."

For both categories listed below, the description refers to the complete content of the application as submitted by the applicant.

<b>Fund</b>	Strongly meets all of the review criteria
<b>Not Fund</b>	Does not meet the majority of the review criteria in a significant manner or proposal is ineligible

### **California Arts Council Decision-making**

The final authority for grant decisions is the appointed Council. After receiving and reviewing the peer panel's ranking recommendations, the Council will consider the panel's recommendations and make final funding decisions at a public meeting.

If approved by the Council for support, grant amounts may differ from the request amount due to the level of funding available to the program, demand for that funding, and/or the rank a proposal receives from the peer review panel.

Depending on the amount of funds available and the number of applicants, the Council will decide which ranks receive funding, and for what percentage of the applicant's request amount.

Should a grant award be made for an amount less than the request amount, the applicant will be required to agree to complete what is described in the application with a lesser grant award than the original request in the grant contract. CAC staff is responsible for grant contract administration after Council approval.

2. Incorrect processing of the required application material such that it negatively influenced the panel’s assessment of the applicant’s request for funding.

**Note:** Dissatisfaction with award denial or with award amount is not grounds for appeal.
